When Bring Back GIGA School Personal Terminal Home

Kawaguchi City ●●Elementary(Junior High)School

- Following is the request from school when a pupil brings back GIGA School Personal Terminal(hereinafter referred to as “Terminal”) home. We appreciate your understanding and cooperation.

On “Terminal Lend out Service”

- Terminal is lent to each pupil from Kawaguchi City Board of Education. **Return the Terminal at the time of graduation(from Elementary or Junior High school).**
- This provided Terminal will be **used as a studying tool till the graduation.** We will need parents’ cooperation in observing child’s proper use of the Terminal at home.
- User account name and passwords are in the custody of each pupil.** (Never let them on public)

On “Using Wi-Fi at home”

- Following the School’s instruction, pupils may take back Terminals home for home-study.
- Need Internet network(Wi-Fi connection)at home** when start using the Terminal at home for home-study. Communication expenses are borne by each household.
- If you already **have Wi-Fi connection at home,** we appreciate you simply **connect the Terminal to an existing Wi-Fi router to start using.** In case the contract has a data usage limit, we would like you to reconsider the contract details as the need arises.
- If you **do not have Wi-Fi connection at home,** please **contact the attending school.**

On “Proper Handling of Terminal”

- Please note that Terminal brought back home should be **used only by a pupil and only for the purpose of home-studying.**
- Security System is always on, though **we appreciate parents’ cooperation in supervising the browsing of any inappropriate websites(violence, illegal drugs, gambling, pornographic, etc.) at home.**
- Regarding Protection of Personal Information, Violation of Human Rights, Copyrights, Information Ethics, etc, we appreciate parents’ cooperation in educating pupils at home** in addition to the education given at school.
- Pupils in the lower classes at school may need parents’ assistance in operating devices/applications. **Give your child assistance as possible as you can.**
- Terminal must be carried in a Terminal Case. Since this is a precision machine, please warn your child **try not to cause damages on it through careless handlings.**
